Reinvention Anthony Elliott 2013 Ours is the era of 'reinvention'. From psychotherapy to life coaching, from self-help manuals to cosmetic

surgery, and from corporate rebranding to urban redesign: the art of reinvention is inextricably interwoven with the lure of the next frontier, the breakthrough to the next boundary - especially boundaries of the self. In this insightful and provocative book, Anthony Elliott examines 'reinvention' as a key buzzword of our times. Through a wide-ranging and impassioned assessment, Elliott reviews the new global forms of reinvention - from reinvention gurus to business reinvention, from personal makeovers to corporate rebrandings. In doing so, he undertakes a serious if often amusing consideration of contemporary reinvention practices, including super-fast weight loss diets, celebrity makeovers, body augmentations, speed dating, online relationship therapies, organizational restructurings, business downsizings, and many more. This absorbing book is an ideal introduction to the topic of reinvention for students and general readers alike. Reinvention offers a provocative and

radical reflection on an issue (sometimes treated as trivial in the public sphere) that is increasingly politically urgent in terms of its personal, social and environmental consequences.

365 Days Alone Nancy Isaak 2017-05-22 For fans of "The Hunger Games", "Divergent", and "Lord of the Flies"--a gripping dystopian page-turner from the pen of Gemini-nominated writer, Nancy Isaak, that will keep you transfixed, well-entertained, and right on the edge of your seat. They were just two teenage girls--utterly normal in every way--until they woke up one morning to

discover that they were all alone in a world gone mad. Somehow, while they slept, the world had changed; their parents, their friends, all had been taken...all disappeared. Now Kaylee Michelson and her best friend, Jay, must figure out not only how to live in this strange, new world--but how to survive. These are the facts as the girls know them: 1. Everyone is gone. 2. There is no internet, no t.v., no electricity, no phones; not even batteries work anymore. 3. It is very, very quiet. Kaylee and Jay--two terrified teenage girls who think they are all alone. Only--they are wrong...
